

## **THEMED BASKETS BELIEVE 2022 April 22-23**

We are asking each church who participates in the conference to create some sort of **THEMED BASKET**. We raised around \$4,000.00 in 2019 for our WWAM project and had a great time winning some awesome baskets. Some examples of baskets are:

- READING BASKET (Includes Nook, blanket, pillow, etc.)
- COFFEE BASKET (Includes Coffee maker, cups, coffees, etc.)
- CRAFT BASKET (Includes items from any particular craft)
- GRANDMA'S BASKET (Cozy blanket, stuffed animals, children's books, etc.)
- COOKING BASKET (Pots, pans, utensils, recipes, etc.)
- OLIVE GARDEN RESTAURANT BASKET
- GARDENING BASKET

Feel free to use your own creativity in making an attractive basket that others will want. (Go online to see examples.) You may spend a little or a lot; just use your own good judgement. Keep in mind that your objective is to create something that women will want to win.

For each \$1.00 donation a retreat participant may place their name in the bowl for the particular basket that they want to win. One may place several slips for one basket or they may wish to try and win several baskets. We should be able to raise a lot of money and have a lot of fun. Encourage your ladies to bring extra money to make donations.

***Please type a list of what your basket contains and display it so that everyone may easily see what is in the basket.***

*As soon as you decide that your group will do a basket, please contact me at [ddymorg@aol.com](mailto:ddymorg@aol.com) and let me know what your basket will be named and what will be in your basket. This way we can limit duplications.*

Thanks for your help in making this the best conference ever!
