

GLASGOW SCOTLAND

Texas Church of God
is sponsoring the Glasgow
Church Plant Project.

Their primary needs are to
prepare and equip the facility
for ongoing community outreach
with building repairs that need
to meet the UK health and safety
standards.

Together we can make a
difference.

-Bishop Charles Fischer-

LEAD
CHURCH

PROJECT # 102-9613

*"Texas, Thank You for your generous
support and partnership with LEAD Church."*

-Andrew Akilan- Lead Pastor

LC MISSION

- The Help to Hope Drop-In Center. Providing meals and clothing to those in need.
- English Classes. Teaching English to asylum seekers, refugees, and international students.
